

Science Fair Foundation List of Regional Science Fairs and their contact person for each region.

It would be wonderful if our BC Nature Clubs contact the Science Fair Representative in their region to arrange to attend their annual award ceremony to give out the BC Nature student award for each of the Junior and Senior categories. Also giving each student a BCN magazine would be a bonus to raise their awareness of BC Nature. This is an enjoyable and rewarding experience and hope the clubs will have a member who would like to do this.

Further information for each region (award ceremony date and confirmed location) for each region will be available later in the fall. Meanwhile club members can contact their regional Science Fair Chair to arrange to be notified and invited to the award ceremony.

Thank you!

Region	Chair	Tentative Location	Email
Cariboo Mainline	Tracy Poelzer	Thompson Rivers University, Kamloops	tpoelzer@sd73.bc.ca
Central Interior	Anjula Corbin	University of Northern BC, Prince George	acorbin@sd57.bc.ca
