Valhalla Wilderness Society  
Box 329  
New Denver, BC V0G 1S0

Dear Valhalla Executive,

After review by our Executive and Conservation Committee, BC Nature (the Federation of BC Naturalists), representing 6300 members in 53 clubs around the province, would like our name added to the list of organizations supporting the Selkirk Mountain Caribou Park proposal.

Yours truly

A handwritten signature in black ink that reads "Visser" with a long, sweeping underline that extends to the right.
