The BC IBA Program ~ Creating a Caretaker Network is made possible by generous funding from the BC Ministry of Environment, Nature Canada Communities in Action Fund, BC Nature and with the support of many volunteers throughout BC.

This slide show was created for BC Nature by Kelly Pearce, Firelight Communications. Project Coordinator was Anne Murray. We should like to thank Peter Davidson of Bird Studies Canada for his assistance in the project.

We gratefully acknowledge the use of photographs by Larry Adamache, David Blevins, Margaret Cuthbert, Moira Lemon, Tom Middleton, Ian Routley and Nature Canada.
